

Composition

- Wood Wool : 2 mm width, 0,20 mm thick.
- Type of wood : Spruce
- Shredded into thin strips
- No treatment
- Glue : white organic vinyl
- Kraft paper : 100% recycled
- No solvents

Conditioning

- Format : 20 to 40 cm width, 30 to 150 cm long
- High density
- Individual mechanical pressing
- Strap with string

Packaging and food contact standards

The types of wood used meet the repositories **DGCCRF N°2006/58** and the information notice **N°2006-58 3.2.1**, Directive 2004/12/CE, Directive 67/548/CEE, Directive 1272/2008/CE, Directive 2000/29/CE, Directive EU 94/62/CE, Recommendation EU 2017/84

The wood wool is not covered by the "ISPM No 15" standard as its thickness and width do not exceed 6 mm.

It is also not covered by the "ECHA Directive" as it contains no substances mentioned in this text.
